DOLLAR DAY - - SANTA ANA - APRIL 3 - - DOLLAR DAY!

**IS GOING AFTER
GOLD MEDALS
FOR COUNTY
PRODUCTS**

D. W. McDannald, Orange county's booster representative at the San Francisco fair, was here yesterday gathering together walnuts, chile peppers and canned fruits to be entered in the gold medal contest in the Agricultural building at the northern exposition.

Because he knows Orange county walnuts so well, McDannald feels certain that all he has to do is to enter them in the contest and the gold medal will go to this county. While in San Francisco giving his daily lectures on the beauties, products and attractions of the Gem county of the Golden State McDannald secured a permit for a space ten feet square in the Agricultural building, free of cost to the county. Moreover, the exhibit will be installed free of cost. All that McDannald had left to do was to get the quality stuff together.

In the Southern California exhibits one that McDannald has found to be the source of more interest and inquiry than any other is the Orange county walnut exhibit.

"I feel certain that if I can duplicate that exhibit in the Agricultural building competition, the gold medal is ours," said McDannald, who arrived here yesterday on a special trip to get prize-winning products. "It is my intention to use five different varieties of walnuts, every one of which was originated and propagated in this county from the parent English walnut. Today I was out with A. C. Tiede, secretary of the Santa Ana Valley Walnut Growers' Association, and we hunted around until we found what we wanted. As you know, this is not the time of year when walnuts are on hand. However, we got together a lot of good walnuts, all but Klondikes, which were originally propagated by H. F. Gardner at Orange. I made a round of the packing houses and at Smith & Miner's I found enough of the big Klondikes to fill out that part of my exhibit. Mr. Lee of the Garden Grove Walnut Growers' Association is to provide me with some Eureka's. That will make out the five improved varieties that claim Orange county as their birthplace. Those five varieties are Eureka, Klondike, Neff's Profit, Garden Grove and Placencia." McDannald is getting his chile peppers together today. He feels certain that the hot stuff will be a winner in the competition. McDannald is the best judge there is in the state of what makes a good showing in an exhibit, and he can be relied upon to put what he gets into the most advantageous shape.

"I am fully satisfied right now that we are going to get gold medals for walnuts and chile peppers," said McDannald, "and I am going after that canned fruit gold medal also. I think we ought to have it."

**FARMERS' PRIZE TEST
TO END TOMORROW**

MEDFORD, Wis., March 26.—Taylor county farmers today had their inning in the state-wide farmers' contest for a prize of \$300 for the best farm manager, with profits, home life, health of animals and maintenance of soil fertility as the "bases" upon which points are scored. The contest closes tomorrow at Grand Rapids and prizes will be awarded soon to farmers of the twenty-two counties enlisted.

**REPORTERS GET CHANCE
TO 'TAKE A CHANCE'**

ST. PAUL, March 26.—"Keep everybody away from the falling walls, except newspaper reporters," is the instruction Chief McNally today gave his men, for handling a crowd during a fire. He explained that the reporters would have fire line badges and so they can get "the dope."

**NORTHWESTERN UNIV.
HOLDS TRACK MEET**

CHICAGO, March 26.—Crack athletes from all over the middle west will compete here tonight in the annual indoor track meet of Northwestern University at Evanston. The meet will close tomorrow.

**Johnson Promises to Win
by Swift Knockout Route**

HAVANA, March 26.—Jack Johnson is in great shape for his battle. The negro never looked better in his life and is as fast and shifty as ever; his wind is fine and his heart action perfect.

Johnson confidently expects to retain his title by a knockout. "Willard," said Johnson today, "will not last twenty rounds. He has not learned

YOUR EASTER BUYING

Have you bought your spring hat?
Your spring dress?
Your spring underwear?
Your spring coat?
Your spring suit?
Your spring haberdashery?
Have you taken a stroll past the beautiful spring displays now shown by Santa Ana merchants in their store windows?

If you have not, then—do it now. Not in years have so many beautiful articles of women's wear and men's clothing graced the window displays in Santa Ana as right now in the few days before Easter.

Santa Ana merchants have bought heavily in anticipation of a much-increased spring trade. They have bought with taste and judgment. Their purchases have been put on exhibition in unusually attractive manner.

The time has long since gone by when it could be considered necessary to make a trip to Los Angeles for the purchase of any article of women's apparel or men's clothing. Santa Ana stores are as progressive and as up-to-date in their showings as any in Los Angeles. Their lines, of course, are not so large. But whatever is worth having can be found right here at home, at prices as low, and even lower than Los Angeles prices.

The styles you see displayed in Santa Ana store windows and in Santa Ana stores are correct. They have the freshness, the chic ensemble of anything carried in Los Angeles.

Not to point a hackneyed moral, but to show that it is money saved and worry saved, The Register urges that every woman and every man do their Easter shopping at home. Not merely because it is the "square thing" to do, not merely because it is a duty, but because it is to your own direct interest to do so—to your interest in dollars and cents, to your interest in satisfaction and in service.

If you have not already done so, it will most decidedly profit and pleasure you to walk through the business section and study the Easter displays. Better yet, make it a point to study the spring advertising in the Register.

You will be delighted at the attractive creations that are being offered for your inspection and approval through the columns of this paper. You will be delighted at the prices quoted. And when you come to examine the offerings in detail you will be delighted with the quality, the infinite variety of styles, the real worth of the goods you can buy right here at home.

**MAN KILLED AS
NEWPORT CAR
HURLS AUTO**

COMPTON, March 26.—E. M. Hathorn, a merchant, was killed, his automobile hurled fifty feet and an electric car crowded with passengers was thrown into panic today when Hathorn's machine was struck at the Main street crossing by a Newport Beach car.

Hathorn was driving parallel with the car line and the street car was running at high speed. According to the coroner's office Hathorn attempted to cross ahead of the car, and without looking back, turned on to the track.

**MIKE GIBBONS TO MEET
PACKEY M'FARLAND SOON**

CHICAGO, March 26.—Mike Gibbons and Packey McFarland have signed articles for a ten-round bout, according to announcement today.

**BOER REBEL LEADER
ESCAPES AND FLEES**

CAPE TOWN, March 26.—Colonel Maritz, one of the leaders of the Boer rebellion, escaped from detention camp today and fled to Central Africa.

TODAY'S ODDEST STORY

TOLEDO, O., March 26.—The all popular jitney bus threatens to become more popular in Toledo.

A heavy explosion wrecked a Toledo apartment and store building. The blast shook a large area. Newspaper extras were soon on the street.

Newboys yelled: "All about the explosion!" Jitney bus owners yelled: "All aboard to the explosion."

**BAT NELSON, WELSH TO
FIGHT AS PORK-BEANERS**

DETROIT, March 26.—Unless the authorities refuse to allow the match to be staged, Battling Nelson and Freddie Welsh will meet in a ten-round bout as a preliminary to the Johnson-Willard bout in Havana April 4. Advances from Windsor, Ontario, state Welsh has signed articles for the bout.

**LEACH CROSS READY FOR
DISCARD NOW, SAY FANS**

NEW YORK, March 26.—New York fight fans agreed today that Leach Cross is about ready for the discard as the result of his sorry showing last night with Charlie White. White gave Cross several pounds of advantage in weight and then won in nine of the ten rounds.

**CALIFORNIA PETROLEUM
WEAK IN NEW YORK**

NEW YORK, March 26.—Sharp gains were registered by many leading stocks at the opening of the stock market today. Early trading was brisk. California Petroleum was exceptionally weak.

**JAPAN WILL INCREASE
HER STANDING ARMY**

TOKIO, March 26.—The government's plan to increase the standing army and navy will be carried through, according to election returns showing the government victorious and Premier Okuma to have a majority. Snowstorms in the northern provinces are delaying the returns.

**START ACTION TO
GET STOP-OVER
PRIVILEGES
IN COUNTY**

Another move has been made in the stop-over controversy with the Santa Fe when the complaint was filed Wednesday with the railroad commission to allow stop-over privileges at Anaheim, Fullerton, Orange and Santa Ana. Committees of the Associated Chambers of Commerce, including A. A. Mills of Anaheim, are handling the case.

This action is taken in regard to a ten-day ticket that is sold to San Diego from Los Angeles and which does not allow for any stop-over in any of the Orange county towns except San Juan Capistrano. The ten-day ticket is sold at a lower rate and in that way proves to be a more popular one for the average tourist. The Associated Chambers of Commerce of Orange County wanted to be put on the stop-over map by the Santa Fe and asked for this favor. It is not known when or what will be the action of the railroad commission.

The Santa Fe now allows stop-overs at Orange county points on any of its tourist tickets from the East to San Diego, but does not give them over on Los Angeles-San Diego tickets.

When the matter was taken up with the Santa Fe recently by the Santa Ana Chamber of Commerce, the officials of the railway company stated that the stop-over privilege was given on the San Diego line only to those points that might be called coast resorts, including Oceanside and San Juan Capistrano, because the old Franciscan mission is located at that point.

One argument that will be made before the State Railroad Commission is that people who are here to see Southern California ought to be given a chance to see the interior points as well as the beaches, for the orange groves and walnut growing sections come nearer being a true picture of Southern California than any beach on the coast.

**RICH DOPE VICTIMS
HELPED; POOR SUFFER**

DALLAS, Texas, March 26.—"The wealthy victim can obtain relief by paying for treatment, but the thousands of the indigent must go on suffering and dying unless relieved," said Dr. J. Q. Spradlin, calling upon state and local authorities to act in the emergency created by the enforcement of the Harrison federal anti-drug law.

Calling the law one of the greatest blessings the country has ever known, Dr. Spradlin at the same time said a mistake was made in not providing treatment and relief for the unfortunate suddenly cut off from their "dope."

"In a few weeks time most of them could be cured," he said. That thousands are addicted to the drug habit and do not know it was the startling statement of Dr. Spradlin. "They have been having filled and refilled year in and year out," he said, "some prescription which has been found to afford relief from some bodily suffering, and the physician who issued it is not aware they are still using the prescription. Druggists fill these prescriptions, not feeling that it is incumbent upon them to ask any questions."

**MARSHALL AND PARTY
COMING TO SAN DIEGO**

SAN FRANCISCO, March 26.—A visit to the foreign buildings occupied Vice President Marshall's last day in San Francisco. The party leave tomorrow for a visit to the San Diego Exposition, thence to Arizona for a brief rest with Mrs. Marshall's relatives. The Vice President inspected the pavilions and was greeted by the commissioners of each country. About ten minutes each was spent in the Australian, New Zealand, Cuban, Portuguese, French, Danish, Japanese, Guatemala, Honduras, Sweden, Canada, China, Argentina and Netherlands buildings.

**SAN PEDRO MAN DIES
AFTER DRINKING BOUT**

SAN PEDRO, March 26.—The body of James Higgins, a water front character, was washed ashore today. He put out in a boat at midnight after a drinking bout, and it is supposed fell overboard.

WEATHER FORECAST

For Santa Ana and Vicinity—Cloudy tonight; fair Saturday; southwest winds.

MISS CATHERINE BRITTON, DAUGHTER OF ALEXANDER BRITTON OF WASHINGTON, AND LONG A FAVORITE IN SOCIETY, MAY NEVER RETURN FROM EUROPE, WHERE SHE WENT TO ACT AS A NURSE FOR THE FRENCH. THIS PHOTOGRAPH SHOWS HER IN A COSTUME SHE WORE AT A FANCY DRESS BALL SHORTLY BEFORE SAILING. NOW SHE IS REPORTED IN WASHINGTON AS BEING ENGAGED TO "BOBBY" BERESFORD, FORMER LIGHTWEIGHT CHAMPION BOXER OF THE BRITISH ARMY.

**New Love Cult Disciples
Stand by Jailed Leader**

ALLIANCE, Ohio, March 26.—Members of the "Brotherhood Home of New Love," whose high priest was arrested yesterday for complicity in the death of Amy Tanner, an inmate, prayed all night for their leader's acquittal.

**WOMAN AND HUSBAND
FIGHT ON L. A. STREETS**

LOS ANGELES, March 26.—Seizing her husband, Mrs. M. J. Newman caused excitement on the street here when she engaged him in a struggle. She charged her husband had \$2500 of her money and refuses to return it. Detectives passing separated the couple. Newman told the police he had nothing of hers except community property. After an hour's conversation the couple left the police department by separate doors.

**MEXICO IN BAD SHAPE,
SAY OFFICIAL DISPATCHES**

WASHINGTON, March 26.—That conditions in at least five states in Mexico are at their worst is asserted in diplomatic dispatches to the State Department today. In Coahuila, the dispatches said, all foreign commercial men are forced to accept Villa currency for property seized by the insurrecto chief. In Guadalajara the Villista commanders are attempting to force loans. In Manzanillo affairs are in a most serious state with banditti and vagabond soldiers overrunning the whole state. All Lower California is reported overrun with banditti.

**U. S. IS WORRIED AT
TURKISH MASSACRES**

WASHINGTON, March 26.—Press dispatches describing the outrages at Urumiah are causing grave concern in officialdom. The State Department has been advised that missionaries and native Christians are in danger, and fears a general massacre of foreigners. Secretary Bryan has cabled Ambassador Mongenthauf at Constantinople to make urgent representations to the porte that full protection be accorded to Americans.

**WHEAT TAKES 2-CENT
DROP IN CHICAGO MART**

CHICAGO, March 26.—Wheat was 2 cents today under selling pressure, due to a lack of buying orders. Corn was 3/4 cent lower and oats 1/2 cent lower.

**U. S. Submarine and Crew Reported
Sunk and Lost in Harbor of Honolulu**

WASHINGTON, March 26.—The sinking of submarine F-4 at Honolulu is reported to the navy department today in a dispatch from Commander Smith of the first submarine division of the Pacific fleet, who wired: "F-4 left tender at 9 a. m. for a sub-

**LAND SEA DUEL IS
RESUMED WITH
DEADLY EFFECT
ON MOSLEMS**

LONDON, March 26.—"No matter what sacrifices are necessary, we shall force the Dardanelles," was the statement of Rear Admiral Guepratte, commander of the French fleet, today.

LONDON, March 26.—Another terrific duel between the fleets of the allies and the forts of the Dardanelles opened today, according to dispatches from Athens.

It is believed a supreme effort to smash the Turkish fortifications of the Ottoman capital has begun. Reports from Tenedos state that French transports have landed 26,000 men to attack the fortifications of Smyrna. The dispatches say the attack opened at 5 o'clock yesterday afternoon. Two battleships entered the straits and bombarded the fortifications of Kil El Bahr until dark.

Today the same two battleships with others, returned to the attack, preceded into the channel by a fleet of thirty mine sweepers.

An energetic response to the allies' fire was drawn at once from the forts and from Krupp's posted on Ereko Heights.

The bombardment is described as even more powerful than that of March 18. The impression is general in Athens that the attack will be pressed home with a determination to reduce at least some of the forts without regard to the consequences to the attacking fleet.

PETROGRAD, March 26.—Austrian evacuation of Czernowitz, capital of Bukovina, and a hurried retreat into Hungary is reported to the war office today. The dispatch states the Russians have been victorious after a heavy three-days' battle on the Prith river and are vigorously pursuing the retreating Russians.

LONDON, March 26.—Captain Vogt of the Norwegian liner Diana, arrived at South Shields, reports that German submarines dropped steel darts on the vessel. The darts, at least fifty feet long and very sharp, landed on the deck. The crew fled below and the deck was splintered. The airman disappeared toward Calais.

Amsterdam dispatches indicate that Dutch skippers have protested to the Netherlands government for protection. Owners of the steamer Medea, sunk by submarine U-28, have reported the attack to The Hague, requesting a sharp protest to Germany.

It is also reported they urged the Netherlands to retaliate with an embargo on food to Germany.

LONDON, March 26.—The British steamer Delmira has been torpedoed and sunk by a German submarine, it is announced.

BERLIN (by wireless), March 26.—Sanguinary fighting continued at Hartmannswillerkopf today with unabated vigor, according to a statement of the war office. After four days of fighting in which the advantage alternated frequently, the issue is still in doubt.

"Losses on both sides," the statement says, "are heavy. The French are fighting doggedly and persistently, but their many attempts to drive the Germans were without success."

LONDON, March 26.—The assertion is publicly made from the admiralty today that the ring of German submarines around the British Isles is being shattered.

The admiralty predicts the Germans have nearly enough and that their ineffectiveness against British trade has proved that the enemy's divers will soon be recalled to their German bases. No details of the reported destruction of the great German submarine U-29 had been given out up to noon.

ATHENS, March 26.—Turkey has broken with her German advisers and is about to sue for peace, according to newspapers here today. They say reliable private advices from Constantinople are the basis of the reports. The statement is also made that field Marshal Van Der Goltz, the German commander in chief, is exposed.

(CONTINUED ON PAGE 6)

GIANT YIELD OF LEMONS FROM FIVE ACRES

Two thousand, seven hundred and two boxes of lemons from five and one-half acres in two months. That is the record that has been made by A. W. Dunnack on his ranch located northeast of McPherson.

Dunnack offers this as proof of what scientific management will do when applied to lemon growing.

The lemon trees on Dunnack's land are ten years old. In February of this year Dunnack picked 1217 field boxes of fruit. In March he picked 1485 boxes, a total for the two months of 2702.

There is every indication at present that Dunnack will pick about as many lemons during April as he did during either February or March.

LITTLE WHITE LEGHORN LAYS BIG WHITE EGGS

Antone Berghofer, 850 Towne street, vice-president of the Santa Ana Produce Co., has a little white Leghorn hen that is some layer when it comes to the size of her eggs. Mr. Berghofer brought to the Santa Ana

TURN HAIR DARK WITH SAGE TEA

If Mixed With Sulphur It Darkens So Naturally Nobody Can Tell

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.—Advertisement.

OLD FRIGATE TO BE GIVEN TO FLAMES

SAN FRANCISCO, March 26.—The Independence, oldest American man-of-war afloat, will be burned for the sake of the copper in her hull and other metal fixings.

This decision has been reached by Capt. John H. Rinder of Berkeley, who recently purchased the vessel at auction for \$3515.

The Independence is the last of the war frigates built for the war of 1812 with England and is one of the most famous ships the American navy ever boasted. Her keel was laid down in 1812. In her day she was to the United States navy what the most modern superdreadnaughts is to the navies of today. She was the greatest fighting vessel afloat, boasting three decks and seventy-four guns.

In 1848 she was sent around the Horn and for many years was used as a patrol ship on the Pacific coast. Her headquarters were at Mare Island and she was in active service until 1863 when she was officially declared obsolete and assigned to the Mare Island navy yard as a training ship.

Last year the navy department decided to sell the famous old vessel, in spite of the protests by patriotic societies in all parts of the country. Capt. Rinder bought the frigate, intending to exhibit her at the Panama Pacific Exposition, but the plans fell through.

LOMA LINDA COLLEGE GROWTH GRATIFYING

LOMA LINDA, March 26.—Eight members of the board of directors of Loma Linda College of Medical Evangelists were elected at the closing session of the annual meeting. The new members are: Dr. Newton G. Evans, Dr. W. A. Ruble, Dr. Julia A. White, W. F. Martin, J. A. Burden, Dr. T. J. Evans, Dr. E. H. Risley, and W. A. George. The following were voted members of the constituency: P. M. Burg, E. G. Fulton, W. D. Salsbury, B. M. Emerson, W. D. Workman. Another meeting will be held here at 11:30 a. m., November 10.

Annual reports of the president, medical superintendent, business manager and treasurer of the college were presented this morning. J. A. Burden, business manager, reported gains in all departments.

The income increased from \$137,761 in 1913 to \$150,942 in 1914. The institution has sent forty-five graduates to foreign mission fields, and now has 143 attending the college. Seventh-day Adventists, who own and manage Loma Linda College, now have 101 foreign missions, and these steadily are increasing.

SEE IF THE CHILD'S TONGUE IS COATED

If Cross, Feverish, Constipated, Give 'California Syrup of Figs'

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently move out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "Fruit Laxative"; they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—Advertisement.

ENTHUSIASM FOR DOLLAR DAY RUNS HIGH

Copies of Dollar Day yells, intended for the Merchants' and Manufacturers' Association contest for a prize of \$2 should be submitted to R. L. Bisby, manager of the Spurgeon Realty Company, at the White Cross Drug Store.

Those entering the contest should bear in mind that the Dollar Day yell that wins the prize will be used by the merchants on their tour throughout Orange county next Wednesday to advertise Dollar Day. The yells submitted should boost Dollar Day and Santa Ana.

One hundred and fifty merchants are now co-operating to make Dollar Day the most successful day of its kind ever held in Southern California.

Dollar Day Parade
The Dollar Day parade through Orange county next Wednesday promises to be an unqualified success.

The M. & M. committee which is now doing the work of organizing the various details which will go to make Dollar Day a winner continues to meet with nothing but the heartiest support from the Santa Ana merchants.

Without an exception, every merchant to whom it was suggested that he take part in the monster Dollar Day automobile parade Wednesday, immediately became tremendously enthusiastic. Instead of saying merely that they would TRY and be in the parade, the merchants said, "We WILL be in the parade! You can depend on us!"

Dollar Day Edition
The Santa Ana Daily Register is to print and mail out 5000 extra copies on Wednesday, March 31, and merchants will advertise their best \$1.00 offer, for Dollar Day in this special issue.

Over \$100,000 worth of prizes will be given Dollar Day visitors. Each merchant will give as a special prize some article or articles not exceeding \$1.00 in value. The special prizes will be distributed to visitors on Dollar Day in the following manner.

The 5000 extra copies of the Register, to be issued on Wednesday, March 31, for advertising Dollar Day, will be numbered consecutively starting at 1000 and running up to 6000—that is to say a different number will be stamped on the margin of each paper sent out. The 5000 people who receive these papers will find prominently displayed the following instructions:

Instructions
"Save this paper. It may be one of the hundred or more papers that will win a prize. If the number stamped on the margin of your paper corresponds with the number on any of the window cards displayed in the show window of any Santa Ana merchant on Dollar Day, it is a prize winner."

The window cards will bear a different number, to be assigned them by the committee, and whatever any certain merchant decides to offer, will be given to the person presenting the paper numbered to correspond with the number on the window card.

Aquatic
One of the features of "Dollar Day" will be a demonstration of life saving by Fred H. Killick at the natatorium of the Santa Ana Athletic Club. Mr. Killick has studied the methods of resuscitation of the drowned in France, Belgium, Holland and England and has successfully restored seventeen persons who have been submerged from five to thirty minutes.

The demonstration will be given at 2:30 o'clock in the afternoon of Dollar Day and will include an exhibition of the various styles of swimming, the methods of throwing life lines and buoys, the scientific ways to throw off a drowning man's grip without using brute force, the ways to swim with a drowned body, methods of keeping afloat when seized with cramps, how to carry a body on the back, an illustration of the three principles of resuscitation and artificial respiration. While maneuvering in the water Mr. Killick will give a lecture in which he will explain the scientific laws which cause a body to rise three times before drowning, why a body may sink and rise in four days and why in Lake Superior a man may sink and never rise. A number of other aquatic truths will be discussed which will be both entertaining and educational in their character. The Athletic Club will charge no admission fee to the demonstration.

WHAT WAR MOVES MEAN

NEW YORK, March 26.—The fall of Przemyśl may have an important effect toward an early ending of the war, or, on the other hand, the advantage gained by the allies may equally be frittered away through incompetent Slav leadership.

The situation confronting the allies is an admirable one for the delivery of a powerful offensive against Budapest, but it would be in accord with previous Russian strategy if a desire to accomplish too many things at once should waste the sudden advantage now resting in the hands of Grand Duke Nicholas, commander-in-chief of the Czar's army.

Either three or four Russian army corps must have comprised the investing force at Przemyśl. The fact that the Austrian garrison of 50,000 men made no effort to cut its way to freedom, as did the Belgians at Antwerp, demonstrates the immense superiority of the Slavs.

An army of between 120,000 and 160,000 men, full of confidence after winning one of the most spectacular victories of the entire war, is now released for any use to which the Russian general staff desires to put it. This enormous reinforcement becomes available because of the facts that Austria-Hungary is being hurried by threats of Italian belligerency and that the campaign in the Carpathian mountains has reached a deadlock through the equality of the resisting forces.

A rapid convergence of the Przemyśl investing army probably would succeed, if properly led, in overcoming the resistance of the Austro-Germans in the Carpathians.

But there is evidence, which must be disappointing in Paris and London,

Sounding the Reveille of a New Fashion

THIS spring, the designers of The House of Kuppenheimer seem to have gone direct to Armageddon for their inspiration.

For in the new styles—the short, high waist line, the narrow sleeves and shoulders, the figure shaping effect—there is indisputable evidence of the war zone influence.

Even the weaver, as he guided the nimble shuttle, must have let his thoughts drift battleward, for one may see in the color blendings of the new fabrics faint suggestions of the Teuton greenish gray, the French gray blue, the Russian drab and the British khaki—

And, behold, all of these dwelling side by side on our neutral racks in harmony and brotherly love.

Let a young man invade this citadel of bigger values and view this spring array of styles, and we know he will capitulate on the spot.

that Russia is hesitating. The attraction of investing Cracow is undoubtedly felt at Petrograd, with the ultimate object of trying to penetrate Silesia, "the gateway to Berlin." If the victorious Przemyśl army moves on to Cracow, it probably will camp in front of that fortress for several

months, and thus be lost for field service.

PALMER

The secret of your good appearance

Does not depend upon how much is spent for clothes, but how well the clothes retain the appearance of unwrinkled newness. Almost any suit that fits properly will look well when first worn; the test comes after a period of service.

The clothes we sell are built from the finest fabrics manufactured, and the tailoring is so near perfection, that that first look of newness stays with them long after most clothing has lost its attractive appearance.

Our suits priced at
\$15, \$18, \$20, \$25

Clothiers.

PERMIT ARRIVES FOR PLANTING STATE ROAD

Allows Evergreens Seventy-five Feet Apart, Santa Ana to North Line

Today the Board of Forestry received a permit from the State Highway Commission for planting trees along the state highway from Santa Ana to the north county line.

The permit grants the Orange county board "the privilege to plant evergreen trees seventy-five feet apart on the state highway, trees to be twenty-three feet from the center line, thirty-seven and a half feet from all corners of intersections, and 150 feet from railroad crossings, all trees to be planted, staked and cared for by the Board of Forestry."

County Forester J. M. Grant forwarded the petition of the forestry board a short time ago. He is ready to proceed with planting on the state road, and will do so immediately after a conference with Division Engineer Clark of Los Angeles. The permit directs that the division engineer of the highway commission shall be consulted before work commences.

"Immediately upon receiving the permit," said Grant, "I wrote to Mr. Clark and urged him to make an appointment at as early a date as possible. My planting force today is finishing planting on West Fifth street just outside the city limits of Santa Ana. We have planted the Garden Grove road from West Anaheim to Blankenbecker's store, and have just finished putting in three miles of Jerusalem pines on the road between the county hospital and the Garden Grove road. I should like to go next to the state highway."

In the petition for the permit, the varieties of trees to be planted were designated. The permit, however, says "evergreens." The petition listed nothing but evergreens, and included Jerusalem pine, redwoods, Arizona cypress and deodars.

HOW FRENCH PEOPLE CURE STOMACH TROUBLE

A household remedy of the French people, consisting of pure vegetable oil, and said to possess wonderful merit in the treatment of stomach, liver and intestinal troubles, has been introduced in this country by George H. Mayr, who for twenty years has been one of the leading downtown druggists of Chicago and who himself was cured by its use. So quick and effective is its action that a single dose is usually enough to bring pronounced relief in the most stubborn cases, and many people who have tried it declare they never heard of anything to produce such remarkable results in so short a time. It is known as Mayr's Wonderful Remedy and can now be had at all leading drug stores. It is sold with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.—Advertisement.

ANAHEIM DISCUSSES CIVIC CENTER IDEA

Anaheim Herald, March 23: Anyone who does not think the civic center for Anaheim is an important matter should have been out at the meeting of the Board of Trade last night. After some discussion and reports from J. P. Ahlborn and Prof. E. W. Hauck the latter made a motion asking the Board of Trade to endorse the civic center and appoint a committee of three to confer with the committee of 50. At this time J. W. Duckworth raised a dissenting voice and said he did not think the time opportune for a civic center. Mr. Duckworth stated that he had been a booster of Orange county for 20 years, but he did not think the people of this city are ready for a \$125,000 civic center at this time. He thought that it would be better to fix up the present city hall at an expense of \$25,000 or \$30,000 and to do one thing at a time.

Prof. Hauck replied to the speech by Mr. Duckworth and said that possibly quite a change could be made in the old building for \$30,000. It had cost the city a lot of money already in repairs and yet it was a very hard matter to find where the money had been spent. "Anaheim is not a backwoods city, and we cannot stop the progress of this city even if we try" is the way Prof. Hauck expressed himself. The block now under consideration purchasable at \$60,000 will in five years be worth \$120,000. The present city hall is a business location and the city administration buildings should not be mixed up with the business houses. With other arguments along this line Prof. Hauck explained that the committee of fifty had decided that the civic center would be a good thing for Anaheim if the property now owned by the city could be sold and the proceeds used to purchase the new site under consideration—the block in which the library is located.

At this time City Trustee William Stark took the floor and spoke in favor of postponing the proposition of a civic center. He said the taxes were high enough at the present time and that no money had been squandered by the city council. Mr. Stark again took the floor after J. P. Ahlborn had explained that the committee favored the civic center only after investigating several plans for improvement. Mr. Stark replied that the meeting of the committee of fifty was not a representative one and that it was not a proper meeting. To this reply was made that as many as possible were at the meeting on Friday evening and that another meeting had been called for next Friday evening to which all citizens are invited. In the resulting vote on the motion the only dissenting votes recorded were J. W. Duckworth and William Stark.

Regarding the special train to San Diego J. W. Duckworth reported that the committee had been unable to get a satisfactory answer from the Santa Fe officials to allow the committee to buy a train for the Board of Trade, but that a special can be obtained any day desired.

F. K. Gresswell reported that he had spent three weeks at the two expositions seeing that the pictures of Anaheim had received proper attention at the expositions and he was glad to say that they had been given excellent positions at both fairs. He also stated that the visitors at San Diego on Anaheim Day will be given a free lunch in the southern city, and will be met at the depot by representatives and taken to the exposition grounds.

IS BRIGHT BOY BUT HIS MEMORY PROVES TO BE OUT OF WHACK

Probation Officer J. H. Scott has a 10-year-old boy on his hands. The boy is a bright youngster, but his memory for names is miserably poor. He can't even get his own name right. The youngster was picked up at El Modena yesterday by Rev. Moore, who sent for the probation officer. The boy told Scott that he was looking for work. At first the boy gave his name as Henry Bigby, then he changed it to Grishy, and now he is not quite certain about either. He said he had a sister in Santa Ana named Hazel. She is married. Henry cannot remember her last name. He said he had worked for a month plowing at West Orange for a man named Jack. Henry did not know Jack's last name.

Finally Henry gave forth one name. He said he had lived with a brother-in-law named Chapman at Torrance. Scott has written to Chapman, and is keeping the boy at the Detention Home. The probation officer thinks the boy is a runaway.

RESTING COMFORTABLY

Mrs. F. O. Daniel, 615 North Ross street, who was injured late Tuesday afternoon when a motorcycle ran into her horse as she was returning from a drive, was reported today as resting comfortably at her home. Mrs. Daniel had no bones broken in the accident, which, it is stated, was due to the motorcycleist, a man by the name of Nelson, riding on the wrong side of the street.

The machine knocked down the horse and overturned the buggy, throwing Mrs. Daniel to the pavement. A tendon of the horse's hind leg was broken, disabling the animal permanently.

I USE 'TIZ' FOR SORE, TIRED FEET

"TIZ" for Puffed-Up, Aching, Sweaty, Calloused Feet and Corns

Good-bye sore feet, burning feet, swollen feet, sweaty feet, smelling feet, tired feet. Good-bye corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain, or drawing up your face in agony. "TIZ" is magical, acts right off. "TIZ" draws out all the poisonous exudations which puff up the feet—the only remedy that does. Use "TIZ" and wear smaller shoes. Ah! how comfortable your feet will feel. "TIZ" is a delight. "TIZ" is harmless. Get a 25 cent box of "TIZ" now at any druggist or department store. Don't suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.—Advertisement.

CORNELIUS IS DOING INCOME TAX WORK

W. A. Cornelius of Newport Beach arrived here yesterday from a trip of investigation to San Diego in connection with his position as general deputy collector under B. M. Thomas, revenue agent for California and Hawaii. Cornelius is working out of headquarters in San Francisco, and his duties take him all over the state, and to Honolulu once a year. He will remain in this county a few days before going to San Francisco. Cornelius' work has to do largely with income tax matters. He secured his appointment through Congressman Kettner.

WESTMINSTER NEWS BUDGET

WESTMINSTER, March 26.—Friday afternoon was visiting day at the Huntington Beach high school. A number of the parents and friends of the students went down and enjoyed the visit very much.

Messrs. and Mesdames F. Carlyle, D. Johnston, Charles Buck, O'Hare, J. O. Pyle, Misses Gussie Keasman, I. Yates, Anna Clark, Flossie and Hattie Murdy; Messrs. W. W. Walter, George McGurk, John and Albert Kettler, motored to Seal Beach on Saturday evening and enjoyed a weenie bake on the sand.

The Orange County officers of the Christian Endeavor Society, Miss Rosemund Norman, president, and Mrs. H. Rankin, secretary, will have charge of the Endeavorers at the PEs-

byterian church on Sunday evening. After prayer meeting on Tuesday evening the members of the Christian Endeavor gave Florence Grant a birthday surprise party, a large clothes basket full of presents, and refreshments were brought by the guests, which added to the enjoyment of the evening.

Mrs. George Abbott and Mrs. Alma Richards visited for several days last week with Mr. and Mrs. Ross Wilson at Florence.

Floyd Kolb was a San Pedro visitor on Wednesday. G. R. Harrison of the U. S. supply ship Irus, spent Wednesday with his brother and family in town.

Mrs. J. Wallace and Mrs. F. Penhall were guests at the Halle Cole home in Huntington Beach on Tuesday.

A surprise birthday party was given Frances Reed by a number of her schoolmates on Friday evening.

Rob Cavanah and sister, Mrs. B. Fuller and Mr. and Mrs. S. Hughey spent Tuesday at Trabuco canyon.

Miss Henrietta Dickey entertained her school friend, Miss Ellen Dodson of Huntington Beach over Thursday night.

Miss Florence Grant had as her guest Thursday night Miss Frances Porter of Huntington Beach.

Mr. and Mrs. Clyde Day of Orange were Sunday guests of Mr. Day's brother, O. J. Day and family.

T. W. Jessup of Los Angeles paid a visit to his home here on Sunday.

SIMPLE WAY TO END DANDRUFF

Stop Falling Hair and Itching Scalp.

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring, use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve, and entirely destroy, every single sign and trace of it, no matter how much dandruff you may have.

If you value your hair, you should get rid of dandruff at once, for nothing destroys the hair so quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everybody notices it.

FARMERS AND ADVERTISING

A physician with a large and growing family decided to move out into the country to save expenses. In order to help out on his income, he started in poultry raising. He had had no experience whatever at it, and the farmers of the neighborhood laughed at him. They thought he would soon retire from the competition, with more experience and fewer dollars.

The doctor, however, made quite a study of scientific poultry raising. One of his ideas was to use printer's ink freely. He inserted in the leading newspaper of his home town an advertisement telling the public about his methods. He emphasized the cleanliness and sanitary condition of his poultry houses. He spoke of his care to feed the fowls a well balanced ration of both grain and vegetable food. He told of the care taken to sort the eggs for size, color and cleanliness, and he guaranteed a given weight per dozen.

The farmers of the town were selling their eggs to the country store for a small price. Probably the store had to sell to a wholesaler, and they may have had to go through several hands. The doctor, selling at a little better price than the farmers were getting at the store, soon picked up a good trade in the nearest large town.

In a short time he was cleaning up the whole product of his poultry yard at better prices than the men were getting who had "monkeyed" with chicken raising all their lives.

Probably his simple little printed statement of his methods had more to do with it than anything else. No doubt many of the old farmers had equally good methods. But they took no pains to tell the public about them. It makes little difference how good a man's methods are, how well produced his goods are, how low they are selling, if he never takes any pains to tell the public about it.

The moral is too obvious. Any farmer who raises staples like eggs, butter, vegetables, and whose food products are attractive, can get all the business he wants at good prices in the nearest large town by spending a little money on advertising.

No Use to Try and Wear Out Your Cold It Will Wear You Out Instead
Thousands keep on suffering from Coughs and Colds through neglect and delay. Why make yourself an easy prey to serious ailments and epidemics as the result of a neglected cold? Coughs and Colds sap your strength and vitality unless checked in the early stages. Dr. King's New Discovery is what you need—the first dose helps. The Coast Road, Etc.

A protest against building the proposed coast road was presented to the Board of Supervisors recently, signed by some seventy odd taxpayers. It read in part as follows:

"First, that said road is neither a public or private necessity and, second, that the proposed road is mostly on shifting and drifting dune sand, a low narrow spit, the sport of wind and waves, a road entirely unnecessary, expensive to construct and difficult and expensive to maintain."

In addition to these taxpayers there was a delegation from the Bolsa Gun Club, an organization of poor men from Los Angeles, who own 7000 feet frontage on the ocean through which the proposed road runs. They raise ducks on this property.

These people also oppose the road on the grounds that it would be dangerous to the life and limbs of their ducks to have a public highway pass through their property.

After a lengthy discussion the gun club men and the five wise men of Orange county, the Board of Supervisors, came to the conclusion that if the road built on that side of the Pacific Electric track next to the land side, and would appoint and maintain officers to see that their ducks were not molested by the traveling public, in they might consent to the building of the road. A date was fixed at which time the deal was to be consummated. The protest of the taxpayers was ignored. So, if the club men and the board agree on a compromise, the road will be established.

During the discussion some interesting facts were brought out. It seems that it takes sand and water and good roads to produce a sea-side resort. The Lord has provided the sand and the water, the county is to furnish the road, the taxpayer foots the bill and the real estate man gets the profit. This is a good thing—for the real estate man, but it's tough on the taxpayer.

The proposed road, I understand, is to run from Bay City to Serra—a distance of 35 to 40 miles. It will be an expensive road to build, and will probably cost double what the inland roads cost. It would be safe to assume that it will cost more than half a million dollars.

During the discussion between the gun club men and the coast real estate men, it was developed that beach lots located on a good road sold at \$40 per foot. In fact, the real estate men were so anxious to establish this value, and seemed so in doubt as to the reliability of their unsupported words, that they requested to be sworn. And they were.

And they testified that with good roads adjoining the property these lots were worth and would sell for \$40 per front foot. The average lot is

INDIGESTION, GAS OR SICK, SOUR STOMACH

Time 'Pape's Diapepsin' In Five Minutes All Stomach Misery Is Gone

"Really does" put bad stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that—just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back. It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or at night. It's the quickest, surest and most harmless stomach doctor in the world.—Advertisement.

25 feet wide and 100 feet deep. At \$40 per front foot they would be worth \$1,000 each. An acre of ground makes eighteen lots, so that the building of the road would make the now practically worthless sand lots worth \$18,000 per acre.

It can be seen that there would be a profit in the transaction, and this explains the zeal of these patriots for profit, these gentlemen from the coast. And when this coast road is finished and in operation the tourist from the East will start for Orange county, by way of Long Beach, loaded with literature extolling the beauties of the "richest little county in the United States." And after he passes Bay City and reaches the county limits they will say to him, "This is Orange County."

And he will see water and sand and salt marsh and mud flats, alkali and sand hills, and he will go home and say that Orange county is a little county that produces the biggest liars in the United States.

And this is what we will get by way of an advertisement that will cost over half a million dollars.

In spite of the wisens of the taxpayers, the Board of Supervisors has decided to build more miles of the flimsy roads already constructed; in fact, the surplus will not pay for the additional mileage. The taxpayers will be asked to furnish the shortage by imposing additional taxes.

It seems that it was not a matter of building good roads that the board considered—it was a scramble for the loot by the different factions of the county which decided what to do with the surplus. It was not a question of "how good" but "how cheap" to build the roads.

Since the warm weather has set in it develops that the wash they put on the roads—the good roads covering—is not just right to stand the rays of the sun. In the middle of the day, in this glorious climate of sunshine, it's just a little too warm for the comers.

And the rude wheels of commerce come along and crowd it to one side and it parts company with the concrete base it was to love, cherish and protect.

Even the patches put on the roads not yet six months old are parting company with the base.

These roads ought to be protected against the rays of the sun, and it has been suggested that the good roads commission and the Board of Supervisors employ their time by holding sunshades over them during the warm part of the day.

By so doing, it is believed these eight faithful public servants would do much more for the public good in the future than they have ever accomplished in the past.

A. C. TIEDE.
—Dollar Day April 3—

POLITICAL STATEMENT

A. J. Visel
Those who persuaded A. J. Visel to become a candidate for city trustee from the First ward did so because they believed that he was a man exceptionally well equipped by temperament and long experience as a man of affairs to take a part in the management of the business of this growing city. Mr. Visel is well known as a man of enterprise and good judgment. He can look ahead and see things as they ought to be and he has the stamina and courage to proceed in following out a course when he is convinced he is right. Mr. Visel has had a wide and varied business experience, and if he is elected he will give of his time and best efforts in doing his full duty.

FAREWELL PARTY

Merry Affair Compliments Popular High School Maid at Heil Home

Miss Lena Bigelow, one of the most popular maidens in the senior class of the Poly high school, was the guest of honor at a merry party, given last evening at the beautiful home of Miss Lela Heil at 210 South Broadway.

Brown baskets of crimson geraniums decorated the spacious rooms where the young people enjoyed a continual round of pleasure.

The company was first divided into two sections, the membership of each vying with the other in providing an original "stunt" for the evening's entertainment, and those familiar with the fertile imagination of school girls of this age may only surmise the fun that followed.

Progressive rock was also a part of the interesting program and at a late hour refreshments of pineapple ice and delicious home-made cake were enjoyed by the merry-makers.

Miss Bigelow, who is a prime favorite among her many friends, will leave Saturday for her home at Elkton, S. D., and her departure is deeply regretted by the classmates, by whom she will be keenly missed.

Those present at the jolly farewell affair which complimented Miss Bigelow, included Misses Eunice and Vena Jones, Marian and Hattie Hutton, Alma Salk, Eleanor Eggy, Norma Petro, Stella Darnell, Gladys Neff, Eula Chamberlin, Mabel Wiseman, Grace La May, Helen Von Allman, Helen Phillips, Rena Cranston, Eleanor Sturgeon, Florence Breckinridge, Irene Swanner, Stella Anderson, Doris Wells, Nellie Irvine and Ruth Schroeder.

CHARMING SPRING PARTY

Ladies of Amphion Circle Display Marked Skill in Millinery Creations

The members of the Amphion Circle of the Congregational church greatly enjoyed the Spring party which was held yesterday afternoon at the lovely home of Mrs. Ella Fyfe, 801 French street, whose hospitality is ever delightful.

Masses of wild roses, peach blossoms and other flowers of the spring time adorned the rooms where the spring theme was presented in instrumental music, song and poems.

Amphion's accomplished pianist, Mrs. A. F. Peek, beautifully interpreting Mendelssohn's Spring Song and "The Meadow Lark" by Roy Lamont Smith.

Mrs. Fyfe surrounded her listeners with the atmosphere of Spring and happiness in her artistic rendition of a group of songs: "Springtime" by Becker, flower songs, "The Clover" and "bluebell" by McDowell.

Miss Berdenia Henry closed the pleasing program by reading "When the Green Gets Back in the Trees" by Riley and Browning's "Apparition," which were highly enjoyed by the ladies.

The assistant hostesses, Mesdames N. A. Beals, C. C. Langley, Collins, McCord, Misses Lida Crookshank and Ava Wells distributed sheets of tissue paper of Spring-time tints, and the Amphions displayed wonderful talent in the creation of Spring bonnets.

When the millinery was completed Mrs. Langley played the Fashion March while the ladies filed past the competent judges, Mesdames George R. Smith and J. T. Wares, displaying many shapes and styles as unusual and original as they were artistic.

A fascinating little bonnet in pink and white, fashioned by the skillful fingers of Mrs. Maurice Phillips, won first prize, a bouquet of Spring flowers, while second honors were awarded Mrs. D. G. Slaeger.

A clever guessing game, "Flowers from grandmother's Garden," was solved and a large bouquet of sweet peas was divided between Miss May and Mrs. Good, who shared honors for the first place in this contest.

Delicious refreshments of "Spring Delight" ice prettily garnished with candied sweet peas, sunshine cake, pink and white mints and salted nuts were served at the close of the delightful afternoon.

Mrs. S. Hillman of Massachusetts, Misses Rolph of Dakota and Miss Hall of Orange, were welcome guests of the Amphion Circle who will hold their next meeting at the country home of Miss May.

PRETTY EVENING PARTY

Mr. and Mrs. Lacy Entertain at Progressive Whist; Guests Also Enjoy Music

One of the interesting social affairs of last evening was the progressive whist party which entertained a few of the friends of Mr. and Mrs. Mark B. Lacy, at their attractive home on South Broadway.

Bowls of fragrant pink Cherokee roses were used in the pretty decorative scheme, throughout the rooms and the congenial company spent a merry evening over their favorite games of cards.

Dr. and Mrs. W. A. Wood captured the laurels at the close of the gay competition, Mrs. L. L. Whitson and J. Howard Turner winning the consolation trophies.

Following the session at cards music was enjoyed as the guests included several accomplished musicians and, as a pleasing close to the evening's festivities, a dainty collation was served at the small tables.

Those who enjoyed the hospitality of Mr. and Mrs. Lacy were Dr. and Mrs. W. A. Wood, Mr. and Mrs. Arthur Kendall of Pasadena, Mr. and Mrs. J. S. Hill, Mr. and Mrs. Raymond Miles, Mr. and Mrs. W. L. Deimling, Mr. and Mrs. Harl S. Kittle, Mr. and Mrs. F. C. Rowland, Mr. and Mrs. Carl G. Strook, Mr. and Mrs. J. Howard Turner, Dr. and Mrs. L. L. Whitson, Mr. and Mrs. Will McFadden.

At Country Home

Misses Jennie and Sallie Cobb, who live two and a half miles from Santa Ana, opened their country home in delightful hospitality last evening, to the young ladies at Merigold's and Taylor's.

The merriment commenced with an egg hunt and after this unaccustomed "stunt" had been enjoyed, the trophies were cooked over a glowing campfire and eaten with chicken sandwiches, olives, cake, coffee, chocolate and delicious home-made candies.

A game of hide and seek entertained the gay company after the beautiful picnic supper had been accorded with justice and the evening ended with a war dance around the burning embers.

Among the fortunate guests of the Misses Cobb were Mrs. Mary Cooper and Misses Ruth Taylor, Helen Parker, Ellen Ross, Kathleen McCulloch, Imogene Tillotson, Myrtle Reeves, Clara Jensen, Marie Reeves, Nora Thompson, Ruth Parker, Harriet Wolaston and Master Pete Ross.

\$25 Suits for \$15?

You read nowadays of many firms who advertise \$15 suits for \$10; \$25 suits for \$15, and the like.

Knowing the inside story of these firms—we often wonder if there are people who really believe such things are possible.

Isn't it about time to do away with the old "shell" games—even if they are done up in a different wrapper?

The people have demanded and have a pure food law.

Geo. McPhee is seeing that we all get fair weights—no more and no less.

Why not a pure advertising law that will compel truthful statements—and no misrepresentations?

With over forty years experience—with our three stores' buying power, we offer suit values at \$15 that cannot be excelled; and at \$20 and \$25.

Now—just before Easter look in our windows for your suit.

VANDERMAST & SON
THE HOME OF GOOD CLOTHING FOR MEN AND BOYS

Cleave, Charles S. Shaw and Misses Bess and Birdenia Henry and Verna Peterson.

Pretty baskets of brown filled with yellow nasturtiums decorated the snowy tables, where a yellow color scheme was observed in the appetizing menu, a feature of which was the delicious orange pies made by Mrs. John Cochran.

The usual business session followed the supper. Plans were discussed for future work, reports were given and a general outline was formed for the month, while those present became better acquainted, thus enabling all to do better "team-work."

Personals

Mr. and Mrs. Victor Carson of Dodge City, Kan., who have been visiting out-time friends in this city, left for San Francisco today, en route to Coeur d'Alene, Idaho, on their homeward journey.

J. Howard Turner made a business trip to Los Angeles this morning.

Rev. Father H. Eumelin was a visitor in Los Angeles today.

Mrs. Alice E. Kinne has returned to her home at San Diego after a pleasant visit at the home of Mrs. C. L. Griswold, 1430 North Baker street.

Mrs. Bruce Hayes of Shawnee, Okla., arrived yesterday for a visit with her father, D. H. Duncan, of Orange.

Miss Minnie Hendrickson enjoyed a day's outing at Long Beach today.

Thomas Govan and wife returned to their home in Los Angeles last evening, after a brief stay in Santa Ana, the guests of Mr. and Mrs. J. Wiley Harris.

Mr. Govan was the recipient on Thursday of many congratulations on his spontaneous reception and wonderful success at the recital at the First Baptist church.

Mr. and Mrs. F. L. Norton of South Birch street are enjoying two weeks' visit from Mr. Norton's mother, Mrs. Sarah Norton, of Alamitos.

Mrs. L. M. Cutting of Jerseyville, Ill., who is spending several weeks in Southern California, came down from Los Angeles yesterday for a visit with her sister, Mrs. Perry F. Shrock.

Mrs. F. W. Drake of Buffalo, N. Y., spent yesterday with Prof. and Mrs. J. A. Cranston.

Mr. and Mrs. H. H. Stilson of Proctor, Vermont, who have been visiting for the past two weeks with Prof. and Mrs. J. A. Cranston, have started on their homeward journey. They will visit the expositions and other points of interest en route to Vermont.

Mrs. C. E. French, accompanied by her daughter, Miss Ethel, was among the Santa Anans in Los Angeles today.

Mr. and Mrs. M. W. Hawkinson have returned from India and Coachella where they have been looking over their date lands. They enjoyed a delightful trip over the valley and stopped in Los Angeles on their way home, where they visited Mrs. Hawkinson's brother, J. C. Gardner, who is now located in the Angel City.

Mrs. F. P. Jayne spent today in Los Angeles.

Mr. and Mrs. C. W. Torrens and daughter, Miss Henrietta, went to Long Beach this morning for a few days' visit with relatives.

Mrs. Fred Wells and daughter, Miss Jane, of Orange were visitors in Santa Ana yesterday.

Misses Georgia Smith and Alice Cranston were among the college students who arrived from Pomona today to spend their Easter vacation with home folks.

Miss Bernice Bradford of Los Angeles arrived here this afternoon to spend the remainder of the week with her sister, Mrs. F. W. Hewitt, and family.

Mrs. J. D. Thomas was among the visitors who spent today in Los Angeles.

Mrs. E. M. Newman has recently moved from 613 West Second to 1009 West First street.

Mr. and Mrs. Fred Cumberland and Victor Finister left by auto yesterday for Hemet, where they will reside on a twenty-acre ranch owned by Mr. Cumberland.

IN THE JUSTICE COURT

BURGLARS READ LAW BOOK AND VIEW PHOTO PLATES

Painters Overhear Plan to Enter Store and Get Out of Town in Auto

As recreation between thefts, William Wilson and Elmer Gray, burglars, yesterday at Anaheim studied law and the art of photography.

While one pondered the statutes of 1898, the other held up negatives one at a time and enjoyed the pictures, commenting upon them to his companion.

As they sat on the ground with their backs against a sheet-iron fence two men who were at work inside the fence overheard Wilson and Gray plan to burglarize a store. They agreed that they would steal an automobile that was standing near by, hide it out of town, and after burglarizing the store they would take the machine and beat it. The plan was never carried out, for Officer Phil Germann put them in jail.

So far as the Anaheim officers and Deputy District Attorney Koepsel, who investigated the case, can determine, Wilson and Gray are hoboes. They

were in Anaheim yesterday and drank a liberal allowance of wine. According to the evidence secured, the two men started out upon their raid on the Mother Colony by sealing a pair of shoes from Federman's store. Next they went into Justice J. S. Howard's garage. Justice Howard is a photographer, and in his garage he has stored a large number of old negatives, as well as some discarded law books and other articles for which the justice-photographer has no present use. The intruders looked through the automobile, lifted the seats and found nothing they wanted. Finally, they selected the statutes of 1898 and two boxes of negatives, forty-eight all told, and with these treasures the two men retired down the alley to a sunshiny spot near the rear of a paint shop. In the alley was an automobile that had been painted and run out to dry. Inside the fence two painters were at work painting another automobile. The painters heard two men talking. They heard them agree to rob a store that night. They said they would take the automobile and hide it. One of the painters peeked over the fence and looked down upon the heads of the two men, one deep in law, the other partaking of Justice Howard's art.

It was a situation that ought to do for a movie film. Instead of larding the burglars, the next move in a real Western drama, the painter soft-footed it to the street and found Officer Germann.

When Germann reached the place, one of the men had thrown the pair of shoes into the machine and the other was doing his best to crank it, but, since the machine was minus a spark-plug, had failed to make it start.

Germann took the men to jail. The discarded law book and negatives were picked up, and on the glass excellent finger prints were found. Wilson and Gray deny the whole story.

Must Be Provider
Arturo P. Carrillo was in court yesterday on a charge of having failed to provide for his wife, Refugio. Justice Cox dismissed the case on Carrillo's solemn promise to clothe and feed the complainant.

Held to Answer
Manuel Rueda, charged with contributing to the delinquency of a minor girl, was ordered held to answer for trial in the superior court.

Suspects Thefts
Constable Coleman arrested Anestacio Gonzales and Alberto Rodriguez today because their wheels looked too good for them. Coleman believed that the bicycles had been stolen. After locking the two men up he made a close inspection of the two bicycles. One of them is a Snell or Yale with Merkel forks recently painted green. The number on this wheel had been battered so that it was hard to get the figures. As near as Coleman can make out the number is 15885. The other wheel is an Iver Johnson, No. 226,822.

DRYS AND WETS ARE TO CLASH IN CHICAGO

CHICAGO, March 26.—Prohibition will be made an issue in the mayoralty campaign, Arthur Burrage Farwell of the Dry Chicago Federation announced today. Representatives of the federation and the Chicago Law Enforcement League will call upon Democratic Nominee Robert M. Switzer and Republican Nominee William Hale Thompson, asking their views on the "dry" issue and if they will stand for a strict enforcement of the prohibition law if the city votes dry April 3, 1916.

"What we wish to establish is whether or not the successful candidate will promise prohibition if he wins," Farwell said. "We want both of them to pledge us they will enforce the law if it carries so we can be fortified against the argument that 'prohibition does not prohibit'."

—Miss Ray Knight will receive a few beginners in piano. Terms reasonable. Can give references if required. 510 Cypress Ave., Pacific Phone 182.

—Dollar Day April 3—
Before buying, see our new spring line trimmed hats. Correct styles, lowest prices. Bon Marche, 312 N. Main St. Women's Exchange.

DRESS WARM AND KEEP FEET DRY

Tells Rheumatism Sufferers to Take Salts and Get Rid of Uric Acid

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work; they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.—Advertisement.

NEW FIRE ON FORTS BEGUN

(CONTINUED FROM PAGE 1.)

man military expert long in the service of Turkey, has already left Constantinople for Sofia and that General Li-man von Sanders, another most prominent German adviser of Turkey, has departed for Adrianople.

PARIS, March 26.—Flanders is drenched with heavy rains and there is little activity on the front. German attacks southeast of Verdun and northwest of Pont-A-Mousson and Rorette hills are reported repulsed.

LONDON, March 26.—The Turks placed new batteries six miles inside the Dardanelles and are hotly contesting the advance of the allied fleet. They are pouring bombs into the attacking squadron.

The forts of Kil Ed Bahr and Namazich are replying feebly to the long range fire. When the squadron moved close, however, the forts broke into violent fire.

Athens dispatches say the heavy damage to the fleet of March 18 has been partially repaired. Balkan reports declare Constantinople in a panic, but this Berlin advices deny.

A Sofia dispatch says the French and British citizens are held as hostages in Constantinople.

LIFE SAVER TO GIVE FREE DEMONSTRATION

Fred H. Killick, who will give a demonstration at the Santa Ana Athletic Club plunge on the afternoon of Dollar Day on methods used for reviving drowned persons, is appearing at Polytechnic high school this afternoon. Tomorrow afternoon at 2 o'clock he will give his demonstration at the club plunge.

MARRIED FIFTY YEARS, WIFE SEEKING DIVORCE

SPOKANE.—Married almost half a century ago, Mary E. Thorpe of Cheney has brought suit in the superior court for a divorce from Cornelius Thorpe. They became man and wife in Missouri in 1872 and their children are all fully grown, the complaint says. The wife charges that her husband has failed to support her for the last ten years and that he is addicted to the use of intoxicating liquors. She says he left her in 1906. She asks that her title to property in Cheney be confirmed.

GIANT TRACTS OF LEMONS IN AT FAIRVIEW

E. P. Bryan of Bryan & Bradford, Los Angeles realty dealers, is preparing to plant twenty-five acres to lemons at Fairview Farms, the property owned and developed by Bryan & Bradford and H. H. Cotton, lying between Santa Ana and Newport Beach. Mr. Bryan is also planning to build a home at Fairview Farms, where climatic conditions are in his opinion unsurpassed on the Pacific coast.

According to the statement of C. W. Morrell it is probable that within the next sixty days there will be from 250 to 300 acres set to lemon trees at Fairview Farms—this in addition to the 400 acres that are already planted. The recent fine weather has transformed Fairview Farms into a fairland of green and has served to promote the cultivation of their lands by owners throughout the tract.

Loquats Bring Big Profits Near Olive 25 Acres Produces 90 Tons in One Year

C. P. TAFT LOQUAT ORCHARD NEAR OLIVE

NET EARNINGS ARE INCREASED

Net earnings of the Southern California Edison Company for the year 1914 were \$2,522,976.79, or \$173,987.43 greater than for the previous year. At the same time, the total assets of the corporation showed an increase of \$1,298,034.14 over the close of the year 1913.

This is indicated in the annual report to stockholders, just issued, and is taken by local business men as indicative of a marked business and commercial advancement in this section during the past year, since the company derives its business from every class of enterprise.

What is destined to be one of the most beautiful residences on North Broadway will soon be built by Ed. F. Walte on a lot recently purchased by him in the Spurgeon tract at a cost of \$2000. Plans are now being prepared. The residence will cost about \$4000.

Dollar Day April 3

TWO-STORY RESIDENCE
Anaheim Gazette: Charles Trudeau is building a \$3000 two-story residence for Bob Rimpau on the corner of Zeyn and Sycamore streets, which when completed will be one of the finest places in the city. Mr. Trudeau has designed and built many dwellings in this city and his work in every instance has given satisfaction.

Freckle - Face

NOW IS THE TIME TO GET RID OF
THESE UGLY SPOTS

Do you know how easy it is to remove those ugly spots so that no one will call you freckle-face?

Simply get an ounce of othine, double strength, from your druggist, and a few applications should show you how easy it is to rid yourself of freckles and get a beautiful complexion. The sun and winds of February and March have a strong tendency to bring out freckles, and as a result more othine is sold in these months. Be sure to ask for the double strength othine, as this is sold under guarantee of money back if it fails to remove the freckles.—Advertisement.

Scientific Management on C. P. Taft Ranch Brings Good Returns

Ninety tons of loquats from twenty-five acres is the record that was made last season by C. P. Taft, whose fifty-acre ranch is located two and one-half miles northeast of Orange.

This year Taft began shipping loquats in a small way about February 20. The fruit is shipped in thirty-pound boxes. At the first of the season the loquats, sold to Los Angeles commission merchants, brought \$4.50 per box.

Shipping has been going on steadily ever since February 20. The prices received at present, while not as great as those earlier in the season, are still considered very fair.

Off Year

Taft considers the present an "off year." As is usually the case with most varieties of fruit, and orchard that bears heavily one year does not produce so heavily the following year. The ninety tons of loquats from the twenty-five acres last year was a wonderful showing, and Taft is not at all surprised that this year's crop is about one-half that of last season.

Although the production of fruit is less, the size of the loquats is very good this year.

Four to Sixteen Years

The loquat trees on the Taft ranch range from four to sixteen years in age. All the trees on his ranch were propagated by himself. The first varieties shipped during a season are known as Early Reds. In addition to this variety there are Victors and early seedlings on the Taft place.

Loquats are shipped in two grades. The large, ripe and nice appearing fruit is used for eating in the raw state. The culls, which are partly green or burnt by the sun are used for making jelly.

At the Fairs

Taft has just returned from the San Diego exposition, where he has a display of both loquats and avocados in the Southern Counties exhibit. A display of the fruit is also being exhibited at the San Francisco exposition.

There are about ten acres of avocados on the Taft ranch. One tree, known as the Taft avocado, is fifteen years of age and will this season bring about 300 avocados, selling at \$1 each.

A few avocados are being shipped at present by Taft, but commercial shipments will not begin until the latter part of next month.

Taft's exhibit at the two fairs is receiving a great deal of favorable comment from visitors.

A MARVELOUS FOOD

—The government is about to place Avocados among the food products because analysis shows it contains 19.33 per cent fat, while eggs contain only 10.5 and milk 4 per cent, and "on a food basis," one authority avers, "Avocados are cheaper at 25 cents per pound than eggs at the same price per dozen, besides being more easily digested."

Luther Burbank says, "In time the Avocado will be worth millions of dollars to California growers of this nutritious fruit and no one need fear overdoing the business, as there will be just demand for the fruit by every one, everywhere." He has been experimenting with several leading varieties at Santa Rosa and writes that "the Harman tree has for some reason stood the best of all of them." The "Harman" are very early bearers, a ONE YEAR BUDDING TREE having a fruit on Wednesday. Only a few of these superb trees on hand, many a bud. Come and get one and set it out at your home and you will soon stop buying eggs and meat. A family in Santa Ana subsisted largely on the Avocados obtained from their tree the past winter. Southeast corner main and First streets.

ORNATE GATES FOR ANAHEIM

Anaheim Gazette: Drawings for the first of the four historical arches which it is proposed to erect on the sites of the four original gates of Anaheim are completed and in possession of Postmaster Ahlborn. Eugene Durfee was the architect and prepared his drawings from designs and instructions given him by the committee in charge. This first arch it is proposed to erect at the intersection of North and Los Angeles streets. It will be called the Los Angeles gate, as the original gate, put up by the pioneers, was so called.

Mission Style

The design prepared by Mr. Durfee is in the mission style. The structure will be 69 feet wide, covering the width of the street. There is a square tower at each end, each 16 feet square. The west tower is 56 feet high and is surmounted by a cross. A stairway leads to an observation room at the top. A portion of the tower is patterned after the belfry of the San Gabriel mission. The eastern tower is about 40 feet high. In recesses under the roof will be hung three bells in imitation of the mission style. The design for this tower was taken from the San Diego mission.

Arched Passageway

There is an arched passageway the width of the sidewalk through each of the towers. The arch spanning the street leaves an aperture 30 feet wide and 22 feet high for the passage of street traffic. In the center of the arch above the roadway is a panel depicting three prairie schooners making their progress over the sandy desert. These wagons are supposed to be driven by John Frohling, A. Langenberger and George Hansen, who were traversing the Southland in search of a location for the establishment of the Mother Colony. When they arrived at this spot they outspanned and purchased the land on which Anaheim now stands.

\$10,000 Each

The arch on South Los Angeles street will also be in the mission style, probably a duplicate of the North Los Angeles gate, and will be known as the San Diego gate. The two on Center street, to be named the San Pedro and Santa Ana gates, will be of different design, probably in the German style. Plates will be inserted on the inward side of each tower, one containing the names of the 50 pioneers, and the other the names of those who contributed to the construction of the arches.

The original estimate of the cost, \$10,000 per arch, was found to be too high. According to Mr. Durfee's design the cost will not be above \$6000. Descendants of the pioneers have declared their intention of contributing liberally to the scheme.

Dollar Day April 3

RIPE OLIVE DAY IS MEETING READY FAVOR

OROVILLE, March 26.—Miss Lillian D. Clark, lecturer in the department of agriculture on Home Economics, University of California, is one of the best boosters that California Ripe Olive Day has enlisted. Wherever she speaks in the state, she is calling the attention of the people to California Ripe Olive Day and urging them to use more ripe olives.

Prof. Carleton H. Parker, secretary of the State Housing and Industrial Commission, writes of the California Ripe Olive Day movement, "Any activity to encourage such a legitimate industry as olive culture, should receive the co-operation of the entire state. This is a case where the consumer as well as the producer will be benefited by the campaign."

Dollar Day April 3

PAVING SOON BE COMPLETED AT HUNTINGTON

Huntington Beach News: Pierson & Anderson, who hold the contract for paving Seventeenth street from Clay street to Delaware avenue, and Delaware avenue from Seventeenth street to Frankfort street, Frankfort street to Alabama avenue, Acacia avenue from Alabama avenue to the Southern Pacific right-of-way, have completed the concrete work, and in a short time the wearing surface will be laid and then there will be a boulevard to the city limits which will be a great relief to those who have occasion to make use of the road to the county boulevard. The paved portion of the roadway is 18 feet in width. The contract also includes the improvement of Atlanta street. Pierson & Anderson also have the Ninth street work, which will soon be completed. The work is being inspected by J. W. Walker and H. E. French. Recently Trustees E. E. French, Will E. Tarbox, D. W. Huston, M. D. Rosenberger, Superintendent of Streets John Tinsley, and City Engineer G. W. Spencer inspected the work on Acacia, Frankfort and Delaware up to Geneva and found the base to be satisfactory in every respect.

Dollar Day April 3

PROSPERITY NOTES

Anaheim Gazette: Frank Lagourge has just finished painting Mrs. Hickerson's house on the east side, also painting, varnishing and stippling the floors inside, in addition to Mrs. Hickerson having put in new walks and lawn and all kinds of flowers and a fine vegetable garden.

Mr. Lucas of Santa Ana, who bought the Morgan and Ward ranch at Los Alamitos, is building on the same preparatory to moving on to it.

GRADE AND OIL

Newport News: Street Superintendent J. E. Barker has had a crew of men at work for the past couple of weeks improving the appearance and condition of Central avenue and Newport avenue. The working, grading and oiling of these thoroughfares has been a great improvement to the city of Newport Beach, and will be greatly appreciated by those motoring to and from town, as well as all other overland travel.

NEW RESIDENCE

Architects Eley & Hawley have prepared plans for a new residence for W. E. Cowan on Prospect avenue, south of Seventeenth street. The house is to be a five-room modern bungalow and will cost about \$1400. R. C. McMillan has the contract.

TO BUILD

Peter Wieckhorst has disposed of his property at 115 South Main street and will build on another lot on South Main. His new residence will be 30 by 54 feet in size and is to cost approximately \$2000.

ON SOUTH BIRCH

Mr. Mooney, who recently bought a lot of W. D. Barker in the 400 block on South Birch street, contemplates the building of a handsome home on his newly acquired property.

BUFFALO STREET

Plans for a new residence to cost about \$1600 have been prepared by F. W. Opp for Wilbur Palmer of the post-office force. Work will begin soon. The home is to have five rooms downstairs and a sleeping room, 35 by 12 feet, up stairs. It will be built at 116 Buffalo street.

NEWPORT RESIDENCE

Asa Hoffman has begun work on a new residence on the Newport road, near Alto Station, to cost approximately \$2500. The residence will have six rooms. It is strictly modern throughout and embodies many unique and artistic features. Built-in bookcases, a handsome fireplace and other details will combine to make it one of the most charming and substantial residences. A combination barn and garage with cement floors will be features of the new improvements.

PROGRESS

Work on the new residence that is being built on North Main street by Deputy District Attorney Arthur Koepsel is rapidly nearing completion. The new home is one of the most handsome in the North Main street section.

COMPLETED

Work on the splendid new residence of Mr. and Mrs. W. J. Wells, 1719 North Main street, has been completed. The home will be occupied within the next ten days.

ASPARAGUS LATE

Fullerton Tribune: Local asparagus growers report that the crop here is late coming in—later than it has been before in years. Heretofore shipments have started by March 1. The first heavy shipment of the crop for this season will probably go forward from Fullerton about April 1. Big shipments are made from here every year, practically all of the output going east by express. Only a few crates have been shipped this year.

SOON HAVE LIGHTS

Newport News: It is unofficially announced that the new street lighting system, which is being installed throughout our city, will, in some sections of the town, be ready to turn on the "juice" in the near future. This will be welcome news to the residents of Newport, and will make a wonderful difference in the appearance of the city at night.

BEETS THRIVING

Since the warm weather has set in the beets are growing fast and are of a splendid appearance throughout the county. This is thinning time, and good stands are reported.

PAST YEAR THE BEST OF ALL

Fullerton Chamber of Commerce Has Done Excellent Work

Fullerton Tribune, March 28: The annual banquet of the Chamber of Commerce last night at Hotel Pinson was a great success, the attendance being about fifty. The members and their wives entered the dining room at 7:15 and an hour later President Shephardson introduced the toastmaster.

In his report President Shephardson told of the good work of the Chamber during the past year—it has been the best year's work in the history of the organization—and he urged the members to take more interest in the organization at all future meetings.

Mr. Johnson, a visitor from Los Angeles Chamber of Commerce in his

address, stated that there had been a wonderful growth in Fullerton during the past three years; that Orange was of the best counties in the State. He also urged the local residents to stand by the Chamber of Commerce as it is a great builder in any city.

Secretary LeMarquand reported that the Chamber had collected during the year \$710.05; had paid out \$533.50, leaving a balance on hand of about \$176.

Prof. Brunton reported that a large oil painting of the high school was being made for exhibit at the San Diego fair; that \$1000 worth of plants had been set out recently on the school grounds and that the moving pictures had been made for the San Francisco fair.

Gus Stern, president of the County Associated Chambers gave a most interesting report on the work of the organization during the past year.

Col. Jones, in his address, favored consolidation of the Chamber and the M. and M. Association.

Mr. Bechtelheimer made a brief talk and told a good story.

President Skillman of the M. and M. Association made a timely talk on that organization which is doing so much good work for the city and the business men.

O. P. Shephardson, W. T. Brown, J. R. Gardiner, Mr. Grieves and E. K. Benchley were elected directors to serve for one year. They will select a president and secretary.

Splendid music was furnished during the evening by Tom and Bill Gillette, C. E. Van Horn and Glen Stillwell.

The women were thanked for attending the banquet and a vote of thanks was also extended to Mr. Johnson for coming out from Los Angeles to address the Chamber.

A sumptuous turkey dinner was served by the Pinson Hotel.

BUILDS NEW GARAGE FOR FULLERTON MAN

Fullerton Tribune: A. Peley has commenced work on the new building in which W. Oswald will open a garage. The building will be on the lot west of Bartlett's bakery and is to have a frontage of 30 feet, extending back 80 feet; side walls corrugated iron imitation brick; front concrete and plastered.

—Dollar Day April 3—

THEATER SOON READY AT HUNTINGTON BEACH

Huntington Beach News: The new Princess theater building is rapidly nearing completion, and in another week will probably be about ready for owner H. C. Howard to hand the key to Lessee W. P. Harrison.

Mr. Harrison will probably give the opening performance in the new structure Monday evening, March 29. The new building is one that will reflect credit upon Huntington Beach, as the front is by far the most artistic to be found in a town of similar size in Orange county.

—Dollar Day April 3—

NEW IMPROVEMENTS

Visit the Polytechnic Villa Subdivision and see the improvements being made. Six houses are being built and three others are under contract. One hundred dollars invested as a first payment on lot will give a large profit in a short time.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

Stop "dosing" Rheumatism.

It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia, Limber up! Get a 25-cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

HUNTINGTON BEACH

ENDORSEMENT AND PIE KNIFE

Parent-Teacher Association Shows Its Appreciation of President's Work

HUNTINGTON BEACH, March 26.

On Thursday afternoon of last week teachers and officers of the Parent-Teacher Association met at the home of Mrs. Mae Weed for the purpose of presenting Mrs. M. J. Newland with a handsome sterling silver pie knife as a token of their esteem and appreciation of her leadership as president of the Parent-Teacher Association.

Tuesday evening of this week the postponed regular meeting of the association was held and at its business session endorsed Mrs. Newland as their candidate to succeed herself as member of the board of trustees of the city school. Mr. Newland was endorsed as member of the high school board.

Mr. Thayer of Hynes addressed the association on "Our Boys." Arrangements were made for the entertainment of the county federation of Parent-Teacher associations which will be held at Odd Fellows' hall in this city on Saturday, April 10.

The four contestants to represent the high school in the annual forensic contest at Anaheim on May 22 have now been chosen. Miss Ellen Dodson will take part in the oratorical contest; Miss Esther Brainard will give the essay; Miss Isabel McCraney will present the story and Cecil McCoy will deliver the declamation. The delegation is therefore composed of three girls and one boy.

The Huntington Beach grammar school and Santa Ana Intermediate school met in a track meet and baseball contest Saturday afternoon, both events going to the Huntington Beach contestants. The baseball score was 5 to 4 and the track score was 57 to 43. The meets were held on the high school grounds.

A number from Huntington Beach are planning to attend the dedication exercises of the Westminster school this evening. An elaborate program has been prepared consisting of musical numbers. The building is an unusually good one for a community the size of Westminster. The auditorium will seat between two hundred and three hundred persons and the four class rooms are adequate for a considerable growth. The building is up-to-date, contains suitable offices for the principal and for the board. J. Flood Walker of Santa Ana is the architect. The building will be used by the school the remainder of the school year.

A good delegation from Huntington Beach attended the open meeting of the Westminster lodge of Odd Fellows on Saturday evening held in honor of the visit of the Grand Master, A. P. Johnson of San Diego. A banquet was served at the close of the program which consisted mainly of an illustrated address by Mr. Johnson discussing the charitable work of the order.

Sunday school of Westminster have taken an interesting method of raising money to assist in the support of the church work. There are eighteen members of the boys' classes. Each one will plant one hundred feet of potatoes and give the proceeds of the crop to the church. The one raising the largest quantity of potatoes on his hundred feet will be given a Bible as a prize.

H. T. Toothacher, a student at the University of Southern California addressed the Mission Study class of the Wintersburg Methodist church Sunday afternoon at the home of Rev. Daniel Dundas. Mr. Toothacher also had charge of the evening services at the church.

Mr. and Mrs. Harry Huff of Orange spent Sunday at the home of Dr. and Mrs. S. G. Huff.

Principal Jesse R. Crandell's Sunday school class of girls will attend the Mission play at San Gabriel Saturday evening.

The Woman's Club held an interesting tableau meeting at Odd Fellows hall Tuesday afternoon. Plans for the club work of next year were discussed.

MODERATE-PRICED BUNGALOWS STILL MEET WITH FAVOR

Present Building Campaign Will Rival Those of Preceding Seasons

More activity in building in Santa Ana is apparent now than at any time during the past six months. The coming of dry weather has had the effect of stimulating improvement projects in every section of the city. Dozens of handsome new homes have been started recently and many more are being planned.

Judging from the number and kind of building permits that have been issued the past few weeks, it is safe to assume that the present spring building season will compare most favorably with those of any preceding year.

The five, six and seven-room bungalow style of residence seems to be meeting with as much favor as last season. These beautiful homes range in price from \$1500 to \$2000 and \$4000. One of the most encouraging features of the present building campaign is that the building of residences is not confined to any one particular section of the city. Homes are being built in every portion of the city, north, east, south and west.

—Dollar Day April 3—

HEALTH PROMOTES HAPPINESS

Without health, genuine joy is impossible; without good digestion and regular bowel movement you cannot have health. Why neglect keeping bowels open and risk being sick and ailing? You don't have to take one small Dr. King's New Life Pill at night, in the morning you will have a full, free bowel movement and feel much better. Helps your appetite and digestion. Try one tonight.

Los Angeles Produce Market

Eastern attempts at cornering the bean market have apparently fallen through, according to latest reports from there. As a result this commodity throughout the United States has been showing a weakness and some declines. Locally the market on pinks has dropped to \$5.25 as a maximum and to \$5.10 as a minimum. Small whites have also gone down, and are obtainable as low as \$6.00. One of the reasons for the failure of the corner and the lower prices of beans is due to the sudden stoppage of shipments to Europe. Had there been no war at all the bean market would probably be lower this year than for years past, owing to good crops throughout this country, and exceptionally heavy ones in Austria and several other European countries, which largely went to waste for lack of being gathered. An endeavor to force sales at this time is generally conceded. The exports of the product from January 1 to the present time have far exceeded those of any entire year in the past. Receipts were 67 sacks.

Demand for eggs was sufficiently heavy to force the price back to 19 cents on local case count stock.

A safe sure way to
Get rid of Kidney Trouble

Kidney troubles disappear with sound healthy kidneys, and sick, weak, sluggish kidneys can be made strong and healthfully active with **FOLEY KIDNEY PILLS**.
C. A. GLOSSNER, ROCHESTER, N. Y., was so broken down with kidney and bladder trouble that he had to give up working. After taking **FOLEY KIDNEY PILLS**, he writes:
"I am only sorry I did not know sooner of **Foley Kidney Pills**, for I feel 100% better since taking them and my backache, my kidney and bladder troubles have entirely disappeared."

ADDING THIRD STORY TO ODD FELLOWS BLOCK

Anaheim Plain Dealer: Contract for remodeling the Odd Fellows building was let the first of the week to H. S. Heineman by the Odd Fellow Hall Association, the owners of the building, and construction work will be begun next week.

The remodeling of the building will include the addition of a third story, and cutting eight feet off the front to give a greater sidewalk area.

The third story will be given over to banquet-room and club-room purposes and will be finished in high architectural beauty.

The second floor will contain the lodge room in the rear, as at present, and in the front there will be constructed six two-room office suites.

There will be no change on the first floor aside from the installation of a handsome new front.

Setting back of the building and putting in the new front will be the first work done in the remodeling of the building.

About \$8500 is to be expended on the building which, when completed will be one of the finest three-story structures in the county.

Immediately adjoining it on the west is the Fisher 3-story building now under construction, and which will cost around \$20,000. Each building has a frontage of 60 feet, making 120 feet of unbroken three-story business structures.

—Dollar Day April 3—

FEW SHIPMENTS OF VEGETABLES

Vegetable shipments from the Villa Park station of the Orange County Vegetable Growers' Association are not very heavy at present, bell peppers, rhubarb and peas being the only varieties being loaded out at present, and these in limited quantities.

This is between-season time with the vegetable men, string and wax beans not being ready for shipment until about three weeks from now.

Prices on bell peppers continue very good, about three times better than they were last year at this time.

Prices on rhubarb are fairly good. The northern crop has come on the market and this invariably has the effect of lowering prices on the Southern product.

The condition of string and wax beans is very good at Villa Park and the growers look forward to good crops.

BUILD APARTMENTS ON SOUTH MAIN ST.

Bids are now being received by E. R. Curtis for the construction of two three-room apartments at the rear of his home at 222 South Main. The apartments which will be in the bungalow style, will cost about \$2000 and will face south on Pine street. They will be thoroughly modern in every respect. Front porches enclosed in glass will be one of the features.

—Dollar Day April 3—

GOOD BOOST FOR FULLERTON'S HIGH

The schools of Los Angeles, California, are leading the world in the liveliest pace, past or present.

But Los Angeles county is not all of Southern California any more than the bow of the boat is the helm. Orange county with Santa Ana, Fullerton, Anaheim and other union high school districts is as wonderful for its area as is the big county to the north of her.

Indeed, there is nothing in all Southern California, in all America, we think, to match the Fullerton High School plant for service to the community that has created it.—Journal of Education, Boston.

—Dollar Day April 3—

1915 Ford Touring Car with shock absorbers and V-radiator, a bargain. Russell Motor Sales Co., Second and Bush Sts.

GOOD YEAR FOR BEET GROWERS

Ground is Working Up Fine and Crop Is in Excellent Shape

HUNTINGTON BEACH, March 26.

—All indications point to a successful year for beet growers. While many of the fields have been planted only within the past few days, the weather has been exceptionally fine and the ground has worked up in splendid condition. All conditions seem to be favorable for a good stand and rapid growth. Beets which came up before the heavy rains or those which were not delayed in their growth by the wet weather are ahead of most season at this time of the year.

Concrete work on the Talbert boulevard has begun. Work on this portion of the county highway has been delayed more than on most other sections

on account of the wet weather but it is expected that it can be pushed to completion very rapidly at this time.

The Thompson brothers have removed their well boring outfit to the vicinity of Fairview where they have several contracts for irrigating wells.

The last car of Golden Top celery for this season has left Smeltzer. A few carloads of Green Top celery remain to be shipped and these will be sent out within the next few weeks.

—Dollar Day April 3—

VIEW BULKHEAD

The City Trustees of Newport Beach accompanied by Engineer H. Clay Kellogg, spent Tuesday and Wednesday of last week visiting the different beaches of sister cities to ascertain the best methods to employ to protect the beach front. Venice, Ocean Park, Redondo and Long Beach were visited and a careful investigation made, and although no decision was reached in regard to the kind of protection, the concrete bulkhead being constructed at Long Beach met with the greatest favor among the members of the board.

—Dollar Day April 3—

ORANGE TREES

Daniel Young has recently set out 106 orange trees on his ranch east of Bolsa. He expects to give most of his time to this new grove and produce "show" oranges.

—Dollar Day April 3—

Santa Ana Painless Dentists, 102 1/2 East Fourth St. Main 25A

ZEYN TRACT'S GREAT GROWTH

Anaheim Gazette: While every section of Anaheim, from business center to remotest suburb, has shown great improvement during the past few years, and the residents thereof can point with pride to the numerous buildings springing up in their immediate neighborhoods, no section of the city has developed so rapidly as the Zeyn tract, in the northern end of town. Two years ago this ground was covered with flourishing orange and walnut trees; today there are twenty-two beautiful residences, on it, costing, with additional buildings and improvements, \$62,000, and several others, some of them the most splendid homes in Anaheim, are being contemplated.

—Dollar Day April 3—

STREET LIGHTS

Anaheim Gazette: All the material for the ornamental street lights has been received, and there will be no cessation of work until the job is completed. The posts have all been placed in position with one or two exceptions where poles are in the way. Judge Shanley's six posts are all in and have been connected.

Edison Bargain Day Campaign

A \$5.00 Combination Cooker going for \$3.35

Cut the coupon and save \$1.65 during sale

The Edison Bargain Day Campaign Begins Thursday, Apr. 1

AND WILL CONTINUE UNTIL MAY 8TH IF THE SUPPLY OF COMBINATION COOKERS HOLDS OUT. ONLY A LIMITED NUMBER OF THESE HAVE BEEN SENT TO A DISTRICT. SO CUT THE COUPON FROM THIS AD. AND BE IN LINE AT OUR OFFICE ON APRIL 1ST.

THIS COUPON GUARANTEES the delivery of one Combination Cooker, (regular price \$5) To Mrs. Street. At the introductory price of \$3.35. Delivery to be made on or about May 3rd, 1915. SOUTHERN CALIFORNIA EDISON CO.

The Combination Cooker and What It Will Do

It will cook two things at one time above and below the glowing coil; toast five slices of bread at one time; broil bacon, steak and chops; bake pancakes quickly and perfectly. It is the combination of all of the most successful electrical cooking appliances, and is the biggest value for the money ever offered. It is clean, cool and convenient and is a practical appliance for cooking and serving at the table. It is especially adapted for cooking light lunches and for breakfast. It is very economical in its operation. During the summer days it will prove a blessing to the housewife and will do much to eliminate drudgery. It is light and portable and can be taken with you on your summer vacation.

LISTEN TO OUR SALESMEN. THEY CAN TELL YOU ALL ABOUT THE NEW ELECTRIC COOKER.

SOUTHERN CALIFORNIA EDISON COMPANY
